

# HELP WANTED

*"We are looking for Self starters"*

**Pointblank Installations Inc.** is BC's largest modular/portable building installation and transportation company.

## **Require Permanent Full Time**

### **Carpenters/Installers**

- **modular building installers and helpers, framers**

We are the only company to offer Installation, Transportation, and general contracting services. We require self motivated people who can work unsupervised and who are great team players. Must have a car and valid license.

### **Truck Drivers/Pilot Car Drivers**

- **Class 1 and Class 5 drivers required**

We are currently looking for drivers who have a clean abstract and experience with wide and long loads. We are also looking for experienced pilot car drivers.

Send a summary of your work experience to:
